Dear Sir

We refer to our earlier correspondence and to the without prejudice telephone conversation our client had with you this morning in the writer's presence.

We confirm our client's instructions that he has never heard of or had any contact with Ranna Investments Limited (BVI).

We trust that any article that you intend pursuing will be measured and will correctly and fully set out our client's position as we have advised.

Yours faithfully

**Rael Gootkin**

Director
