Hi Sir,

Please see below ladies that are available for the 6th at R1250.
I think we should look at the ladies that they sent from the other list.
Choose the best from there and here and then wait for the rest.

Morning Catherine,

Hope you are well. Please see below the profiles of girls that have confirmed availability. I need to get more white ladies. I am struggling to find "pretty" ladies that are available. Will forward more profiles as soon as possible

Have a lovely day,

Kind regards,
