Subject: RE: Diogo Mateus- Training Schedule for Network +

Dear Diogo,

Thank you for your reply.

Further to your email, please note that we can offer the training for Network + for the mentioned schedule in 1 on 1 training. Please find below the details for the available schedule for group training for the month of June and July and the prices for 1 on 1 training with the training schedule as required by you.

Duration in days	Training and Exam in days	Training	Total Cost with meals and accommodation in Koenig Inn per participant	Training Schedule
6	5	Group Training	US $ 880	16th June- 20th June or 21st July-25th Ju
6	5	1 on 1 training	US $ 1050	29th June-3rd July

Advantages of 1-on-1 Training are:-

1. Focused attention of the trainer.
2. Customized course to spend more time where you need help and less time on topics that you are already familiar with.
3. Choosing your own start date.

We will send a letter to support your visa application once you register with us. Please note that we will be able to hold a seat for you for the mentioned schedule till 12th April 2015.

In order to confirm your seat you need to send us a refundable* deposit of US $ 880 or US $ 1050 (as per your preferred mode of training)

Following are the payment methods:-

1. PayPal

2. Online via Credit card/Debit Card

3. Bank Wire Transfer

4. Western Union

Request you to share your preference (Group training or 1 on 1 training) and preferred training schedule so that we can book the resources accordingly.

Please let us know your preferred payment mode so that we can share the details for the same.

Thanks & Regards,

Eva (Ms.)

Subject: RE: Diogo Mateus- Network +, and Combo course for CCNA and CCNP

Hi Eva,

I hope everything is brilliant with you.

I would like to do the Network+ Certification from the 26th June - 03 July 2015 in India (Delhi) as preparation for the CCNA & CCNP Certifications.

Warm regards,

Diogo Mateus

Dear Diogo,

Thank you for your time. It was pleasure talking with you.

Further to our conversation, please find the mentioned below details for CompTIA Network +, and Combo course for CCNA and CCNP in India- Delhi and Dubai Location. **PFA the course contents.**

CompTIA's Network+ certification is an entry level vendor neutral certification for aspiring system and network administrators. The Network+ course provides basic training in managing, maintaining, troubleshooting, installing and configuring a network infrastructure.

Network+ certification is also a step towards attaining higher level vendor specific certifications such as Microsoft (MCSE, MCITP), Cisco (CCNA, CCNP) and Linux (Linux+, RHCE).

The combo course of CCNA and CCNP course teaches the following skills:

- Understanding networking concepts and deploying simple LANs
- Understanding LAN, WAN, IOS, OSI model, TCP/IP, switching/routing and troubleshooting protocols
- Plan and install complicated LAN/WAN routing solutions for an enterprise system using routing protocols
- Perform regular maintenance on routed and switched networks
- Use best practices and a systematic ITIL-compliant approach for conducting network troubleshooting activities
