

**STATEMENT ON BEHALF OF
MR AND MRS PIKOLI**

Mr and Ms Pikoli deny that they received any gratification from the late Brett Kebble / JCI Group. Ms Pikoli does not own any shares and did not previously own any shares in Simmer & Jack Limited and Jaganda (Pty) Limited. Ms Pikoli owns 2% of the shares in Vulisango (Pty) Limited, in which she became a shareholder, after Mr Njenje (a close friend of hers) invited her to take up a shareholding in Vulisango (Pty) Limited. Ms Pikoli had no business dealings with Mr Kebble.

Mr Selebi did not previously raise any concerns about Ms Pikoli's shareholding in Vulisango (Pty) Limited with Mr Pikoli. Mr Selebi did not meet with Mr Pikoli in that regard. The Directorate Crime Intelligence has never approached Mr and Ms Pikoli in regard to the matter.

It is clear that Mr Selebi's latest allegations are an attempt to deflect attention away from the very serious charges he is facing and a ruse designed to create the impression that Mr Selebi is a victim.
